Supplementary Provisions: When the new owner is not a resident of the Netherlands, an export pedigree will be made automatically and registered to the new owner. The new owner will receive the invoice. After processing the application form, the owner will receive the registration without any further costs.

By signing this form, the signatories agree to abide by: the Constitution, the Kennel Club regulations, the terms and conditions of supply and the internal rules of the association "Council of Kennelclub in the Netherlands."

Moving?

If you move, it is wise to register with us as soon as possible. This requires a so-called "re-registration". Please send the registration certificate with the new address and a signature or us. After payment, we will send a new registration certificate with the correct information to you.

Selling or Transferring Your Dog?

If you sell your dog, send the completed and signed registration certificate to us. After payment we will send a new registration certificate to the new owner. The pedigree should be handed over to the new owner when they take the dog. If you have a DNA profile of your dog, please pass this along to the new owner.

If there is a change of ownership or address, this registration certificate should be sent within one week after the change to:

Raad van Beheer op Kynologisch Gebied, Postbus 75901, 1070 AX Amsterdam. Tel: +31 20 6644471.
